Master File No. 2:22-cv-0401-RSM

STIPULATED MOTION AND  
ORDER TO EXTEND DISCOVERY  
AND CLASS- CERTIFICATION  
BRIEFING SCHEDULE

NOTE ON MOTION CALENDAR:  
JULY 14, 2025

**STIPULATION**

Pursuant to Local Civil Rules 7(d)(1) and 10(g), Plaintiffs Mary Baron, Amanda Caudel, Allison Carranza-Cordero, Cathy Diomartich, Calhea Johnson, Malika McLean, Shaney Scott, and Tony Walton (collectively, “Plaintiffs”) and Amazon.com, Inc. (“Amazon”) (together with Plaintiffs, the “Parties”), having conferred through their counsel, agree and stipulate to a modest extension of three months to the deadlines for discovery and class-certification briefing currently set forth in the Court’s March 12, 2025, Order (ECF No. 89).

Good cause exists for the Parties’ requested extension. The Parties have been continuing to engage in good faith on discovery and working cooperatively to search for, review, and produce responsive documents and information. The Parties have been diligently conducting that work, and their efforts are ongoing. The Parties have therefore agreed to a modest extension of the current case schedule to provide sufficient time for completing document productions and depositions

(including of the eight named plaintiffs) and briefing class certification. The Parties have previously requested one short extension as to these deadlines, and this additional modest extension would not affect any other deadlines as no schedule has been set beyond class certification.

The Parties have therefore agreed to the proposed dates below.

<b>Event</b>	<b>Current Date</b>	<b>Proposed Date</b>
<b>Close of Fact Discovery</b>	July 24, 2025	October 24, 2025
<b>Close of Expert Discovery</b>	October 13, 2025	January 13, 2026
<b>Close of Rebuttal Expert Discovery</b>	November 25, 2025	February 25, 2026
<b>Deadline for Motion for Class Certification</b>	January 9, 2026	April 9, 2026
<b>Deadline for Amazon's Opposition to Class Certification Motion</b>	February 24, 2026	May 26, 2026
<b>Deadline for Plaintiffs' Reply Brief in Support of Motion for Class Certification</b>	March 16, 2026	June 16, 2026

The Parties respectfully request that the Court enter the following proposed order and set the deadlines above for discovery and class-certification briefing in this action.
